About MIND in Haringey

MIND in Haringey (established in 1984) is one of the leading mental health services in Haringey. We provide a range of services, information, and advice to anyone affected by a mental health problem, primarily in Haringey. We work to prevent mental health problems, promote mental wellbeing, and ensure those with mental health problems are respected and included in our local community. One in four people are affected by mental health in Haringey, out of a population of 225,000 that's over 54,000 people. This includes 2,413 children and young people.

Our services respond to needs identified by service users; working to increase wellbeing, confidence, social integration, and independence. We work with more than 3000 adults and young people affected by mental ill health each year.

Our Values

- We listen with care, respect, and reassurance to everyone we encounter
- We seek to influence and improve mental health services in Haringey, raising awareness and challenging both stigma and discrimination
- We are committed to easy and equal access for everyone in Haringey
- We consider opportunities for collaboration when developing services
- We seek continuous improvement in all we do

The role

MIND in Haringey and its partner Public Voice deliver the Haringey Community Collaborative, providing strategic leadership and capacity building for the borough's Voluntary and Community Sector (VCS). MIND in Haringey and Public Voice are ambitious, committed and passionate in their support of the VCS, and the social impact that it collectively delivers for residents and communities every day.

The Haringey Community Collaborative service involves providing Haringey VCS:

- One-to-one and group capacity building support
- Funding opportunities for projects addressing priority local challenges
- Access to training and resources
- A community of practice for collaboration and knowledge sharing, both in person and online.

The Haringey Community Collaborative team is located across and employed by either Public Voice and MIND in Haringey. This role works alongside a manager for Haringey's digital community of practice platform, NavNet; and a communications lead for the Community Collaborative. The role reports to the Haringey Community Collaborative Manager.

About You

We are looking for someone who wants to make a difference to the local community through their work, supporting the success of the voluntary and community sector. You will need to have experience working with organisations and groups to help them develop and grow, and convening.

A confident public speaker with strong presenting skills with the ability to present to a wide range of diverse community groups. Able to engage with people and have a good understanding of co-production.

Able to carry out research and find suitable funding opportunities supporting VCS to write bids and method statements. Designing and delivering workshops on various topics that will support the local VCS in Haringey based on their needs.

Having a knowledge of the VCS organisations within Haringey would be an advantage but not essential.

Job Summary

Haringey Council and NCL ICB are committed to working in partnership with local grassroots and small VCS organisations who represent specific demographic / service user groups and funding is available to develop this partnership. The Haringey Community Collaborative Capacity Building Manager works with these organisations to enable them to strengthen their governance and increase their capacity to secure this funding and bid for other grants and Trust funds. The post holder will facilitate collaborative responses from VCS organisations to RFQs and other invitations to tender and work with them to refine their method statements and submit their proposals.

Main Duties

1. Champion and raise the profile of the VCS organisations in Haringey through supporting them to sit on a number of strategic Boards and Committees in Haringey so their voice is heard.
2. Raising awareness amongst the VCS organisations of the opportunities available to them for capacity building support and the benefits this can bring.
3. To develop an extensive knowledge of the VCS organisations in Haringey, their areas of interest / expertise and their willingness to collaborate with like minded organisations.
4. Facilitate and support engagement with, and representation of grassroots, specialist VCS organisations to increase the number of people involved in networks for communities of interest including those who may have barriers to access.
5. Organise and manage the VCS Community of Practice monthly meetings.
6. In partnership with VCS organisations identify the need for the various elements of capacity building training and governance and co-produce training and development plans with VCS organisations.
7. Lead the monthly Training, Capacity Building and Development Workshops with support from colleagues and external speakers.
8. Working with the Communication and Engagement Officer to identify external funding opportunities and support VCS organisations to write funding application and submit bids individually or through partnerships.
9. To participate in the quarterly Grant Funding and Income Generating Workshops.

10. Advertise for and identify potential VCS collaboratives in response to invitations to tender / requests to submit a proposal, address training / skills gaps and support the development of their proposal.
11. If the VCS organisations do not have a legal identity, consider the potential for Public Voice or MIND (Haringey) to act as the Accountable Body.
12. To recruit volunteers with relevant experience and knowledge to support the Haringey Community Collaborative VCS capacity building programme.
13. Work with VCS organisations in Haringey to develop and implement Codes of Good Practice.
14. Recording attendance at workshops and events and producing monitoring reports as required.
15. Complying with GDPR guidelines and act in accordance with relevant policies and procedures.

Other Accountabilities:

1. Work as part of a team, collaborating with colleagues and partners, and contributing to the wider Haringey Community Collaborative and MIND (Haringey) strategy.
2. Act in line with MIND (Haringey) mission and values, as well as relevant policies and procedures.
3. Help to promote the work of MIND (Haringey) and its Haringey Community Collaborative delivery partners.
4. Undertake other duties as required to support the smooth functioning of MIND (Haringey) in keeping with the overall grading and general responsibilities of the post.
